

REALTY OPERATIONS - FOREST RESOURCES PROGRAM (CENWS-RE-RO-Forest Resources)

Contact: Jeffrey W. Northfield, Program Manager; (253) 964-2100; jeffrey.w.northfield@nws02.usace.army.mil

Office Address:

US Army Corps of Engineers, Seattle District
Real Estate Division, Realty Operations Branch
Forest Resources
PO Box 33055
Building 07985, Plant Road
Ft Lewis, WA 98433-0055

Services that we provide include: Preparation of appraisal reports setting forth fair market value and/or minimum acceptable bids for forest products, forest lands and related real estate proposed for disposal. Preparation, planning and coordination of programs designed to assist installations and projects to maximize forest resource utilization consistent with higher priority use for which the property is held in consonance with environmental and ecological considerations. Planning, administration and evaluation of forest resource marketing effort required to obtain optimum economic and other beneficial return from forest resources determined excess from Army and civil lands.
